

Victor Hills Golf Association-2017

Visit us on-line at <http://www.victorhills.com> select the "Members link"

Welcome Members:

The officers and board members of the Victor Hill's Golf Association (VHGA) would like to welcome you to another year of golf at Victor Hills. VHGA serves as a focal point for member's activities. Membership in VHGA is available to all members of Victor Hills. Please see the dues remittance form. Payment of dues entitles VH Members to:

- 1) Maintain a USGA System Handicap Index.
- 2) Play in the Tuesday Night's Men's league or Thursday Night's Women's league.
- 3) Be eligible to play in the Men's or Women's Rochester District events and for Women the Ladies Lake Country events.
- 4) Play in the VHGA sponsored tournaments (list included in Calendar of Events below).
- 5) Play in the Club Championship.

AS IN YEARS PAST: WE NEED YOU! WE NEED MORE FOLKS TO BE INVOLVED IN THE VHGA. IF YOU ARE INTERESTED IN SERVING ON THE BOARD AND BEING MORE INVOLVED IN TOURNAMENTS AND FUNCTIONS; PLEASE LET RALPH DAVIS, MARK LAMENDOLA OR DONNA MUTO KNOW. THANKS!

Please do not combine any league payments with your VHGA payments; and it is really helpful if you include a remittance form with your payment. Thanks!

Calendar of Events

- *Thurs Apr 20-Women Members Meet & Greet 5:30 -7:00 PM*
 - *Saturday, May 13th: Get Acquainted Scramble with breakfast. See the VHGA bulletin board for details & sign-up.*

Your Handicap

Your handicap index is a measure of your scoring capability. Calculation of your handicap index is in accordance with USGA Handicap Procedures and Standards. However, the accuracy depends upon you!

-A **new rule from 2016** states that only rounds observed by another person can be posted.
-You must post all observed scores played on any course, both 9 and 18 holes. This includes league and non-league events played at any course, not just Victor Hills

-All scores must be adjusted for 'Equitable Stroke Control' which means that based upon your handicap there is a maximum # of strokes you can take on a hole:

<u>Course Handicap</u>	<u>Max Stroke per hole</u>
9 or less	double bogey
10-19	7
20-29	8
30-39	9
40	10

-All scores must be posted in a timely fashion
-If you play 13 or more holes, you would record a score for handicap purposes by adding to the number of strokes played the total of par plus any handicap strokes that you would receive on unplayed holes.
-If you make a mistake in entering a score in the computer, simply make a note on the clipboard form on the computer desk.
-**Any questions?** Contact either member of the Rules & Handicap Committee: Ralph Davis, Mary Ellen Anderson or Paul Kleinstuber.

Your Friend's Handicap!

Have a friend who is not a member of a club but wants to play in RDGA events and obtain a GHIN Handicap? See RDGA website for "RDGA Club".
