Visit us online at <http://www.victorhills.com> select "Leagues/Membership" and then "Member Updates & Info"

## Welcome Members:

The officers and board members of the Victor Hill's Golf Association (VHGA) would like to welcome you to another year of golf at Victor Hills. VHGA serves as a focal point for member's activities. Membership in VHGA is available to all members of Victor Hills. Hopefully as the majority of folks become fully vaccinated we will all stay healthy and enjoy a great season of golf.

- 1) While we do follow USGA rules of golf, VH does have local rules. Please ensure you review them.
- 2) The World Handicap System requires that you post your score for your round as soon as possible, preferably on the same day as played. Please consider using the APP on your phone.
- 3) Payment of your VHGA dues should be mailed to Bob Phillips and **include a remittance form**. In order to be part of the GHIN system we must accurately report the number of members to the RDGA who then bills us.

Payment of dues entitles VH Members to:

- 1) Maintain a USGA System Handicap Index.
- 2) Play in the Tuesday Night's Men's league or Thursday Night's Women's league.
- 3) Be eligible to play in the Men's Rochester District events or the Women's Rochester District events and the Ladies Lake Country events.
- 4) Play in the VHGA sponsored tournaments (list included in Calendar of Events).
- 5) Play in the Match Play Tournament
- 6) Play in the Club Championship.

This year, on the remittance form for your VHGA dues, we are again asking for your e-mail address so that we can, in the future, send the newsletter to you (as well as the remittance form) and to remind you of the tournaments.

Dues this year have increased due to GHIN increases: \$32 per renewing VHGA member and \$37 for new VHGA members. Juniors are Free. The additional \$5 for new members is used to fund any new computer equipment when needed.

If you have any questions, please feel free to ask a member of the VHGA Board.

NOTE: Please do not combine any league payments with your VHGA payments; and it is really helpful if you

## The Member's Room

The Member's room is located in the clubhouse off of the hallway near the back door. It has a computer where you can enter your scores.

It also is the place where you would sign up for VHGA tournaments. There is a locked mailbox where you can leave your money for tournaments. There are envelopes there for your convenience.

Please ensure you both sign up and pay for tournaments as there may be different folks who take care of the money and who organize the tournament. Thanks.

## Your Handicap

Your handicap index is a measure of your scoring capability. Calculation of your handicap index is in accordance with USGA Handicap Procedures and Standards. However, the accuracy depends upon you!

-You must post all league and non-league scores, 9 and 18-hole rounds, played on any course that is considered "in season" when home or away (even Florida!).

-The maximum score that can be posted for a hole is "Net Double Bogey" (Par for the hole+2 strokes+ your handicap strokes for that hole).

-If you post "hole by hole"; the system will automatically adjust your score.

-All scores must be posted preferably by the end of the day played.

-If you play 14 or more holes, you would record a score for handicap purposes by adding to the number of strokes played the total of par plus any handicap strokes that you would receive on unplayed holes.

-If you make a mistake in entering a score in the computer, simply make a note on the clipboard form on the computer desk.

-Any questions? Contact either member of the Rules & Handicap Committees: Mary Ellen Anderson (585-248-5815), John Mulac (585-524-7389) or Steve Elder (585-924-2819).

## Your Friend's Handicap!

Have a friend who is not a member of a club but wants to play in RDGA events and obtain a GHIN Handicap? See RDGA website for "RDGA Club".
